Special Instructions

¹When sending Cellion instrument in for service, ensure the battery cell is kept inside the aid and the device is turned off. The instruments can then be shipped via air or ground transportation.

²Lithium ION batteries such as those included with easyTek, miniTek, ConnexAir, ConnexLink, VoiceLink, and miniPocket™ with lithium metal battery products are subject to IATA shipping regulations. Please utilize ground transportation when shipping these products.

³For adequate trouble-shooting and repair of wireless communication problems, all components of entire system must be returned.

⁴All accessories if deemed faulty will be exchanged.
